

Sahnon Mahbub

94 Quebec St. Apt 2 
226-343-6850 
sahnon.mahbub@student.sl.on.ca 

As a Computer Programmer Analyst (CPA) student at SLC, I am seeking job experience in a relevant field for future endeavors as well as financial stability.

Skills

- Strong writing and verbal communication skills attained throughout university
- Extensive knowledge of computer hardware and software from both classes, personal research and helping with troubleshooting
- Dependable worker with proven reliability and willing to go above and beyond
- Attained 4 years of customer service experience in various retail and sales positions
- Understanding of confidentiality throughout my time in a neuroendocrinology lab
- Ability to work independently or as part of a team as needed

Experience

JUNE 2016 – AUGUST 2016 & JUNE 2017 – AUGUST 2017

Mover / Frost the Mover, Kingston ON

- Trained as a packer, unpacker and mover
- Given lead on various jobs to complete an unpack or pack with no supervision

JANUARY 2016 – APRIL 2017

General Employee / Tim Horton's, Kingston ON

- Trained in all stations at the front of the store; cash register, drive-through, sandwich unit
- Worked alone up front with company produce and cash during the night shift

Education

SEPTEMBER 2012 – APRIL 2016

Undergraduate Degree in Neuroscience and Psychology / University of Guelph, Guelph ON

SEPTEMBER 2016 – PRESENT

Diploma in Computer Programmer Analyst / St. Lawrence College, Kingston ON
